

Cub Scouts!

Mad Science Workshops-

We Bring FUN Science to You!!

Mad Science has a workshop to help your scouts work towards the requirements for their science badge and belt loop!

While working on these requirements your Webelos scouts will learn about:

- Bernoulli's Principle
- Pascal's Law
- Newton's First Law of Motion
- Scientific Method
(Academic belt loop for Science)

And also about these six optional activities:

- Atmospheric Pressure
- Air pressure
- Water Pressure
- Newton's Third law of Motion
- Center of Gravity
- How your eyes work together and what is meant by an optical illusion

Badge workshops are 60 minutes long
Cost: \$13 / scout with \$175 minimum*

* Ask us about other available activities - such as building your own rocket, watching a rocket launch 100 feet into the sky, making your own crystals and more!
