

# SUMMER CAMPS

## Moving with Science

Discover how things move with science! Take apart pellets to see what an owl cannot digest! View the world through a camera obscura! Join a team of camper engineers and build bridges and pyramids!

Assemble pulleys, catapults, and other simple machines! Make your own chalk, crystal gardens, and chromatography t shirt!

## Eureka!

Curious about inventing? This camp will have your children bringing home designs and devices created using their own inventive processes! Learn to write notes backwards like Da Vinci, be a part of a 'human' machine, escape a deserted island, design airplanes, and take home your very own light stick!

## Secret Agent Lab

Look out 007- the Mad Science spy academy is in session! Invisible ink! Metal detectors! Lasers!

Junior agents can create their own edible messages, check out spy equipment, gather and analyze crime scene data, and discover surveillance technology with burglar alarms and security locks!

## Camp Exploration

Explore the world around you and inside you! Travel the organ trail and uncover the wonders of your own body! Make animal tracks, use the sun to cook a tasty snack, discover the science behind your favorite sports, and become a Mad Science detective- use your forensic skills to solve a crime!

## Rockin' Robots (3<sup>rd</sup>-6<sup>th</sup>)

It's all about robots! From sensors to actuators; effectors to manipulators. Your mad scientists will learn what it takes to make robots go, and put together their own robot to keep after the completion of camp!

(Additional material fees required.)

## Super Science Camp

Have super fun with science! In this camp you can become a DNA detective while you learn about the inside of a cell. Go up, up, and away with kites and hot air balloons, explore space and rockets, learn to write and decipher mad messages, and create radical reactions that bubble and flash!

## Brixology (3<sup>rd</sup>-6<sup>th</sup>)

Engineers shape the world! Using LEGO® bricks, mad scientists will explore mechanical, structural, aerospace, nautical, and bioengineering! Every day campers will participate in engineering challenges to solve real world problems! Let the tinkering begin!

## In The Garden (Pre-K)

This camp offers an introduction to environmental science. Each day campers discover how living things grow and how the environment affects them. Children experiment, sing, play, and build a garden mural throughout the week to illustrate their latest scientific discoveries!

## Summer Camp Registration Status - Summer 2017

Location	address	Camp	Days	registration	price
Mad Science Laboratory	1053 N. California	Eureka!	June 5 - June 10	chicago.madscience.org	\$300
Mad Science Laboratory	1053 N. California	Super Science Camp	June 26 - June 30	chicago.madscience.org	\$300
JULY 3 - JULY 7 NO CAMPS					
Mad Science Laboratory	1053 N. California	Brix / Robots	July 10 - July 14	chicago.madscience.org	\$360 <small>includes robot</small>
First Free Church	5255 N. Ashland	Secret Agent Academy	July 10 - July 14	chicago.madscience.org	\$350
Mad Science Laboratory	1053 N. California	Eureka!	July 17 - July 21	chicago.madscience.org	\$300
Mad Science Laboratory	1053 N. California	In the Garden (preK)	July 24 - July 28 half day afternoon	chicago.madscience.org	\$175
First Free Church	5255 N. Ashland	Moving with Science	July 24 - July 28	chicago.madscience.org	\$350
Mad Science Laboratory	1053 N. California	Secret Agent Academy	July 31 - Aug 4	chicago.madscience.org	\$300
Mad Science Laboratory	1053 N. California	Camp Exploration	Aug 7 - Aug 11	chicago.madscience.org	\$300
Mad Science Laboratory	1053 N. California	Secret Agent Academy	August 14 - August 18	chicago.madscience.org	\$300
Welles Park	2333 W. Sunnyside	Brix / Robots	August 14 - August 18	chicago.madscience.org	\$400 <small>includes robot</small>
Welles Park	2333 W. Sunnyside	Super Science Camp	August 14 - August 18	chicago.madscience.org	\$350
PDOP	Anderson Center	Eureka!	August 14 - August 18	pdop.org	N/A
Mad Science Laboratory	1053 N. California	Super Science Camp	August 21 - August 25	chicago.madscience.org	\$300
Ping Tom Park	1700 S. Wentworth	Eureka!	August 21 - August 25	chicago.madscience.org	\$390
Welles Park	2333 W. Sunnyside	Moving with Science	August 21 - August 25	chicago.madscience.org	\$350
Welles Park	2333 W. Sunnyside	In the Garden (preK)	August 21 - August 25	chicago.madscience.org	\$200
Mad Science Laboratory	1053 N. California	Eureka!	August 28 - Sept 1	chicago.madscience.org	\$300
Ping Tom Park	1700 S. Wentworth	Secret Agent Academy	August 28 - Sept 1	chicago.madscience.org	\$390

Camps are from 9 - 4 unless otherwise noted (for preK camp). Before and after care are also available for an additional fee (dependent on the location). Sign up for 3 -4 camp weeks and get 10% off your entire order. Sign up for 4 or more camps and get 20% off your order. All camps include take home activities.
