

Mad Science of Chicago Spectacular Science Workshops

Mad Science has more than 30 different in-school field trips designed to meet your STEM-related needs. Our one hour programs are perfect for introducing a unit, supplementing your lesson plan or as a special treat at the end! We also can be a fun way to have a "mini-unit" before you start your next topic! Each program includes fun demonstrations, hands-on experiments and can be adapted to your grade level and correlated to NGSS standards! Some of our most popular topics are listed below. If there is a science topic you want to cover and don't see, let us know!

Chemical Science

Che-Mystery
Matter of Fact
Dry Ice Capades
Slime Time
Turn up the Volume
Mix it Up
pH Factor

Life Science

All About Animals
*Bugs!
Dinosaurs
Seeking Our Senses
Tantalizing Taste
Life in the Sea
Photosynthesis

Science Fair

*Science Fair
Workshop

Energy Science

Electricity
Harnessing Heat
Sonic Sounds
Get Connected

Mineral Mania
Dirt on Garbage
Ecosystem Explorations
Black & Blue Oceans
Walloping Weather
*Super Power Sources

Physical Science

*Lights, Color Action
*Magnetic Magic
*Optical Illusions
*Stunt Planes
*Wacky Waves
Under Pressure
Make it Move
Where's the Air
Science of Toys
*Moving Motion
*Energy Burst
Radical Robots
*Mad Machines

Space Science

Planets and Moons
Sun and Stars
*Living in Space

Pricing for one-hour workshops

	1-2 dates	3-4 dates	5 or more dates
# programs / day	Cost / program	Cost / program	Cost / program
1	\$220	\$210	\$200
2-3	\$200	\$190	\$180
4 or more	\$180	\$170	\$160

Class size is limited to up to 25 students. Additional students can be added for an additional \$5 / student charge. Pricing is based on consecutive programs with a minimum of 15 minutes / maximum 30 minutes between programs. Pricing is based on one topic / day. If you want multiple topics on the same date, please ask for details!

* \$1 / student surcharge for extra material costs.
