

WORKSHOPS

WORKSHOPS

Mad Science of Chicago has more than **30 different** in-school field trips designed to meet your STEM-related needs. Our **one hour programs** are perfect for introducing a unit, supplementing your lesson plan, or as a special treat! Each program includes fun demonstrations, **hands-on experiments**, and can easily be adapted to meet NGSS standards! Some of our most popular topics are listed below.

If there is a science topic you want to cover and don't see, let us know!
