

# SUMMER CAMPS

## Moving with Science

Discover how things move with science! Take apart pellets to see what an owl cannot digest! View the world through a camera obscura! Join a team of camper engineers and build bridges and pyramids!

Assemble pulleys, catapults, and other simple machines! Make your own chalk, crystal gardens, and chromatography t shirt!

## Eureka!

Curious about inventing? This camp will have your children bringing home designs and devices created using their own inventive processes! Learn to write notes backwards like Da Vinci, be a part of a 'human' machine, escape a deserted island, design airplanes, and take home your very own light stick!

## Secret Agent Lab

Look out 007- the Mad Science spy academy is in session! Invisible ink! Metal detectors! Lasers!

Junior agents can create their own edible messages, check out spy equipment, gather and analyze crime scene data, and discover surveillance technology with burglar alarms and security locks!

## Camp Exploration

Explore the world around you and inside you! Travel the organ trail and uncover the wonders of your own body! Make animal tracks, use the sun to cook a tasty snack, discover the science behind your favorite sports, and become a Mad Science detective- use your forensic skills to solve a crime!

## Rockin' Robots (3<sup>rd</sup>-6<sup>th</sup>)

It's all about robots! From sensors to actuators; effectors to manipulators. Your mad scientists will learn what it takes to make robots go, and put together their own robot to keep after the completion of camp!

(Additional material fees required.)

## Super Science Camp

Have super fun with science! In this camp you can become a DNA detective while you learn about the inside of a cell. Go up, up, and away with kites and hot air balloons, explore space and rockets, learn to write and decipher mad messages, and create radical reactions that bubble and flash!

## Brixology (3<sup>rd</sup>-6<sup>th</sup>)

Engineers shape the world! Using LEGO® bricks, mad scientists will explore mechanical, structural, aerospace, nautical, and bioengineering! Every day campers will participate in engineering challenges to solve real world problems! Let the tinkering begin!

## In The Garden (Pre-K)

This camp offers an introduction to environmental science. Each day campers discover how living things grow and how the environment affects them. Children experiment, sing, play, and build a garden mural throughout the week to illustrate their latest scientific discoveries!

## Summer Camp Schedule - Summer 2019

Location	address	Camp	Days	registration	price	Ages
Mad Science Laboratory	1053 N. California	Secret Agent Academy	June 24 - 28	chicago.madscience.org	\$350	K-6
JULY 1 - JULY 5 NO CAMPS						
Mad Science Laboratory	1053 N. California	Eureka!	July 8 - July 12	chicago.madscience.org	\$350	K-6
Mad Science Laboratory	1053 N. California	Moving with Science	July 15 - July 19	chicago.madscience.org	\$350	K-6
JULY 22 - JULY 26 NO CAMPS						
Mad Science Laboratory	1053 N. California	Brix / Robots	July 29 - Aug 2	chicago.madscience.org	\$375	3rd - 6th (9-12 yr old)
Welles Park	2333 W Sunnyside	Super Science Camp	August 5 - Aug 9	chicago.madscience.org	\$375	K-6
Mad Science Laboratory	1053 N. California	Camp Exploration	August 5 - Aug 9	chicago.madscience.org	\$350	K-6
Welles Park	2333 W Sunnyside	Camp Exploration	August 12 - Aug 16	chicago.madscience.org	\$375	K-6
Mad Science Laboratory	1053 N. California	Super Science Camp	August 12 - Aug 16	chicago.madscience.org	\$350	K-6
Jefferson Park	4822 N. Long	Eureka!	August 19 - Aug 23	chicago.madscience.org	\$390	K-6
Mad Science Laboratory	1053 N. California	Moving with Science	August 19 - Aug 23	chicago.madscience.org	\$350	K-6
Mad Science Laboratory	1053 N. California	Secret Agent Academy	August 26 - Aug 30	chicago.madscience.org	\$350	K-6

Camps are from 9 - 4 unless otherwise noted . Before and after care are also available for an additional fee (dependent on the location). Sign up for 3 camp weeks and get 10% off your entire order. Sign up for 4 or more camps and get 20% off your order. All camps include take home activities.
