

STAGE

SHOWS

WE BRING SCIENCE FUN TO YOU!

A MAD SCIENCE SHOW IS:

Amazing!

Demonstrating spectacular chemical reactions, fantastic forces, bubbling potions.. and more!

Highly Interactive!

We use volunteers at every show! You may even get to float across the stage on a Mad Science hovercraft!

Educational!

Students of all ages will enjoy learning with us! Pre and post activity guides are included.

Age-Appropriate!

All shows are suitable for grades K-6th!

And most of all . . . FUN!

Mad Science is the premiere provider of fun science for children!

Up, Up & Away

- ✦ Explore the science of hot air balloons
- ✦ Unearth the power of air pressure
- ✦ Rides on the Mad Science hovercraft!
- ✦ and more.....

Fire & Ice

- ✦ Foggy dry ice storms
- ✦ Flashy reactions that go POOF!
- ✦ Bubbling potions that trap gas inside
- ✦ and more.....

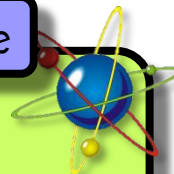

Icky, Goopy, Bubbly

- ✦ Experience colorful chemical potions
- ✦ Watch as we make water disappear!
- ✦ Make slimy and bubbly chemical reactions!
- ✦ Customizable for pre-k

Heroes of Science

- ✦ Heroes don't always wear capes! Sometimes they wear lab coats!
- ✦ Witness experiments from our favorite heroes: Newton, Tesla, Bernoulli, and Bell!
